

From the Sage College Library

Oxford Reference Online

- ❖ This is a great research tool for every Sage College student.
- ❖ To access over 100 top-quality reference books, just log onto www.oxfordreference.com.
- ❖ The user name is *SageStudent* (any combination of upper and lower case). The password is *library* (all lower case).

You can:

- Enter a search term and search the whole database.
- Click on one of the subject areas to refine your search more.
 - Search by book, and browse any of the books.
 - Click on “links” and then a subject area to get more information.

Some of the titles include:

- [World Encyclopedia](#)
- [The Oxford Dictionary of Modern Quotations](#)
- [Concise Medical Dictionary](#)
- [The Concise Oxford Spanish Dictionary \(English-Spanish\) and \(Spanish-English\)](#)

Available from any internet-ready computer, at school or at home.

If you have questions, please contact the librarian, Diana Lewis
