

CAMPUS SECURITY INFORMATION

This information is required under Public Law 102-26. The following data will provide you with campus security policies and statistics concerning the occurrence of criminal offenses on campus and public property.

Should you witness a crime in process or are a victim of a crime, SAGE COLLEGE requests that you follow this procedure:

During school hours, notify Campus Security/School Administrator and the San Diego Police Department immediately (refer to the telephone numbers listed on the "Crime Statistics" summary).

If a crime occurs during non school hours and no faculty or staff member is available, notify the San Diego Police Department immediately and a School Administrator as soon as possible during normal business hours.

Remember: Preserving evidence for proof of a criminal offense is very important.

SAGE COLLEGE does not recognize any off campus student organizations that would be covered under this act.

The purpose and authority of campus security personnel is limited to securing the premises and protecting the facility. The enforcement authority of campus security personnel is limited to the enforcement of campus rules and regulations. Incidents that go beyond the scope of campus security personnel are referred to and investigated by the local law enforcement agency (if applicable).

All crimes that are reported will be posted inside a glass bulletin board located in the hallway within a day of the reporting.

To ensure the accurate and prompt reporting of all crimes, authorized administrative personnel will take a full written statement from involved parties and witnesses at all reported emergency or criminal incidents. The written statements are included as part of a written report, and such statements may be used by campus security personnel (if applicable) and local/state law enforcement authorities for the purpose of criminal apprehension and/or crime prevention. Criminal incidents may also be reviewed by the institution's administrative staff for the purpose of disciplinary action.

All students are informed about campus security procedures and practices on the day of initial registration.

Everyone should remember that personal safety begins with you. The following should be considered:

When walking on campus, be aware of who and what is around you. Try not to walk alone and avoid streets and secluded pathways or alleyways.

Do not carry large amounts of cash.

Keep your motor vehicle in good running condition. Always lock your car and remove all packages and any valuables. Try to park in well-lit area.

Do not leave machines, books or personal property unattended in any area of campus.

Sexual assault prevention programs and counseling for sex offense victims is available through the Center for Community Solutions – San Diego, at 1-858-272-5777 or at www.ccssd.org.

If applicable, and reasonably available, the institution will change the academic situation of a student after an alleged sex offense.

If any disciplinary proceedings are held in cases of an alleged sex offense, both the accuser and the accused have the opportunity to have others present. Both the accuser and accused will be informed of the institution's final determination of any institution disciplinary proceeding and any sanction imposed against the accused.

Sanctions will be imposed regarding rape, acquaintance rape, or other forcible or non-forcible sex offenses in accordance with appropriate institution processes upon persons found to have violated this policy. These sanctions can include but are not limited to suspension, expulsion, and/or separation from the institution. In addition, an individual charged may be subject to prosecution by the Office of the District Attorney under California Criminal Statutes.

The institution is in compliance with the Drug Free Schools and Communities Act of 1989 (Public Law 101-226).
